

Mayor's Sunday service

Members of Tenterden Town Council parade to the church

New beginnings and harmony were the themes of the annual Mayor's Sunday service at St Mildred's Church, Tenterden.

Town mayor Cllr Pam Smith led a parade of councillors, youth groups and the Royal British Legion along High Street from Recreation Ground Road to the church.

Canon Lindsay Hammond took the service, emphasising that it was a new town council.

Afterwards there was a reception in the town hall where Cllr Smith presented certificates to councillors who stood down last month, thanking them for their service.
