VOTE FOR SUE FERGUSON

What am I passionate about? Informing the Community what's on in Tenterden, keeping Tenterden free of litter and graffiti, encouraging Tourism in Tenterden, the survival of the High St, a proper police response in Tenterden, a cinema for Tenterden ... and reducing the number potholes! I'm on the organising committee of the new Spirit of Tenterden Festival, a community event 5-7 July.

My main interests apart from the community and Tenterden, are swimming, health and technology. My day job is a Chiropodist & Podiatrist.
